

01 / YOUR CASH PLAN

Before you offer.

A practical worksheet for the property you are considering. Work through the cash, price and evidence checks, then write a clear next action.

PROPERTY / ADDRESS

REVIEW DATE

Give every dollar a job.

Separate cash for the deposit from transaction costs and the money you plan to retain. Your borrowing capacity is a separate lending assessment.

Cash available

Less: estimated buying costs

Less: cash you will retain

Remaining cash for deposit

EXAMPLE: \$120,000 - \$15,000 - \$15,000 = \$90,000

Illustrative amounts only. The cost and reserve allowances are not recommendations. Include relevant purchase costs such as duty, legal fees and inspections. [1]

FINANCE STATUS / WHAT STILL NEEDS CONFIRMING?

Next: what supports the price?

02 / PRICE EVIDENCE

Make the price comparison useful.

Use relevant completed sales. Record the source and date, then explain the differences in size, land, condition and location. Asking prices alone do not establish market value. [3]

COMPARABLE 1

ADDRESS / SOURCE

SALE PRICE / DATE

KEY DIFFERENCE / WHY THIS SALE IS RELEVANT

COMPARABLE 2

COMPARABLE 3

KEY DIFFERENCE / WHY THIS SALE IS RELEVANT

Check any dollar adjustment you make for a difference. Record what supports it; leave an unsupported adjustment unresolved.

03 / UNRESOLVED QUESTIONS

Find the answers that could matter.

If an answer could change your decision, assign a person and a next step. A listing description or photo cannot resolve every question. [1, 3]

TAKE THE QUESTION TO THE RIGHT PERSON

Contract / commitment: solicitor or conveyancer

Building condition: appropriate property inspector

Planning / intended use: council or relevant specialist

Rent / likely expenses: local property manager and verified records

QUESTION 1 / WHAT EVIDENCE IS MISSING?**WHO WILL ANSWER?****BY WHEN?****QUESTION 2 / WHAT EVIDENCE IS MISSING?****WHO WILL ANSWER?****BY WHEN?**

For an investment, also check how you would cover expenses during vacancy or an unexpected repair. Expected rent is not guaranteed income. [2]

04 / YOUR NEXT DECISION

Proceed. Pause. Pass.

Proceed = a defined next step. Pause = obtain a material answer. Pass = the property fails a true non-negotiable. Use the information you have verified to choose.

MY NEXT DECISION: PROCEED / PAUSE / PASS

EVIDENCE / REASON FOR THIS DECISION

WHAT MUST BE RESOLVED BEFORE I COMMIT?

NEXT ACTION / WHO / BY WHEN
